

STATE OF MICHIGAN

SPECIAL TRIBUTE

HONORING

**THE AMERICAN HUMAN RIGHTS COUNCIL
(AHRC)**

LET IT BE KNOWN, That it is a special privilege to recognize the hard work and dedication of The American Human Rights Council (AHRC) for protecting, promoting, and defending human rights.

The AHRC aims to promote key human rights concerns, and cite stories of individuals at risk, while working closely with the international media to publicize violations, seeking the attention of government officials, corporations, international institutions, and policy makers.

The AHRC continues to build a tenacious, objective, and carefully guided advocacy program that will serve to defend individual human rights, whenever and wherever they are being infringed.

On December 4th 2014, the AHRC will hold a meet and greet reception at Byblos Banquet Hall in Dearborn to introduce their vision, mission, objectives as well as the AHRC leadership team.

IN SPECIAL TRIBUTE, Therefore, This document is signed and dedicated to commend The American Human Rights Council for serving the needs of all people whose rights are being denied or violated. May their event be a huge success and we wish them future success in Michigan.
